Mina is an artist, researcher, and performer, based in South Korea and the Netherlands.

She is interested in leftovers from digital technology and its relationship with the environment.

By taking the method of practice-based research, she aims to find a way to coexist with digital debris in our digital society. Her works are presented in various forms, such as installation, audiovisual performance, online reports, and workshops.

Her background covers sociology, interactive media design, human-computer interaction, and fine art.

She is a member of 'RE#SISTER'-female/femme/non-binary electronic music & sound community, based in Rotterdam, the Netherlands.

Under the name of Vitamina, she collaborates in 'Fruit From the Forest'-an experimental sound project duo.
