Mina (a.k.a. vitamina) is an artist, researcher and performer.  
Her work explores leftovers from digital technology in ways of creative coding, circuit bending, hardware hacking, and audiovisual performance.  
Her in-progress practice-based research aims to find a way to coexist with digital debris in our digital society.  
Her background covers sociology, digital media studies, interactive media design, human-computer interaction, and fine art.  
She is a member of 'Fruit From the Forest' - experimental sound project, and 'RE#SISTER' - female/femme/non-binary electronic music & sound community.  
Based in the Netherlands and South Korea.
