Mina (a.k.a. vitamina) is an artist, researcher and performer.
Her work explores leftovers from digital technology in ways of creative coding,
circuit bending, hardware hacking, and audiovisual performance.
Her in-progress practice-based research aims to find a way to coexist with
digital debris in our digital society.
Her background covers sociology, digital media studies, interactive media
design, human-computer interaction, and fine art.
She is a member of 'Fruit From the Forest' - experimental sound project, and
'RE#SISTER' - female/femme/non-binary electronic music & sound community.
Based in the Netherlands and South Korea.
